MOBILE BANKING CHEAT SHEET

WITH OUR MOBILE BANKING APP, YOU HAVE SIMPLE YET POWERFUL TOOLS FOR STAYING CONNECTED TO YOUR ACCOUNTS, NO MATTER WHERE YOU ARE.

Simply login to get an at-a-glance view of your balances. From here you can glance over your balances, review transactions, transfer money, send payments, pay a bill, make a deposit, get directions to the nearest ATM and more.

To transfer funds, select accounts and enter an amount. Sending money is as easy. Quickly pay your bills and securely send money to another person with just an email or a mobile number. The money moves directly from your account, to their account.

Need to make a deposit? Now you can deposit a check by just snapping a photo. Or when someone sends you money, accept it and select which account to make your deposit.

The More tab is where you will find our additional services, including a few helpful links. It's simple, yet powerful account management for your finances.
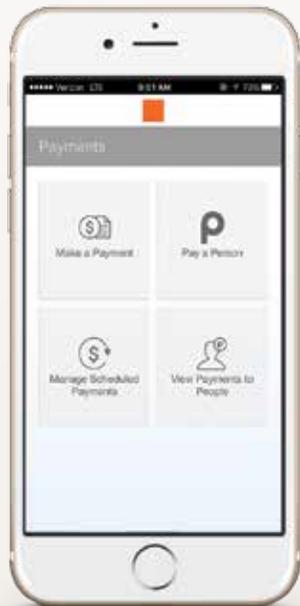

If your phone is ever lost or stolen, your account is locked behind strong, multi-layer security.

From "Payments" you have the choice of paying any biller you have previously set up under "Make a Payment."
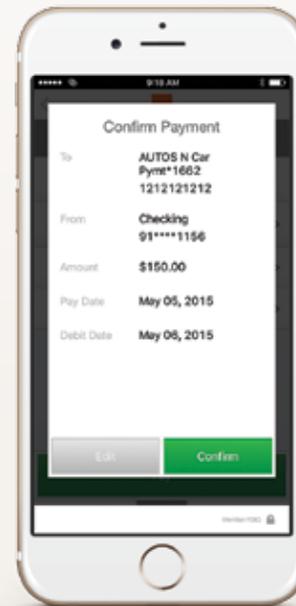

To pay a biller, click "Make a Payment" and select a biller from your list. If they offer eBills, you will see the eBill icon next to their name.
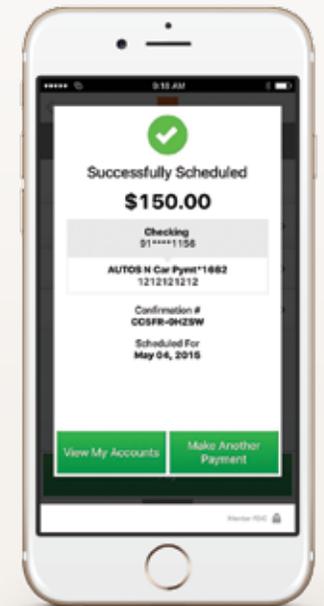

To pay a bill, just enter the amount and the date. Just tell us how much to pay.
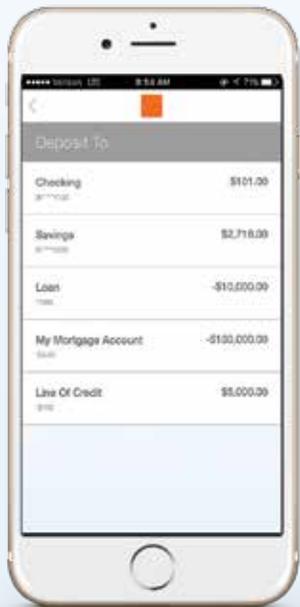

When ready, pay it and confirm.

From here, you can return to your accounts or make another payment.

MOBILE DEPOSIT CHEAT SHEET

## MAKING A DEPOSIT WITH OUR MOBILE APP IS QUICK AND SECURE.

From deposit, you can deposit your paper checks as well as the money you receive through our personal payment service.
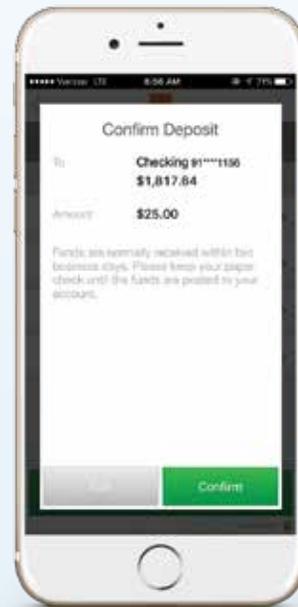

To deposit a check, begin by endorsing the back of the check. Within the app, select "Deposit Check." Choose the account to make the deposit and enter the amount.
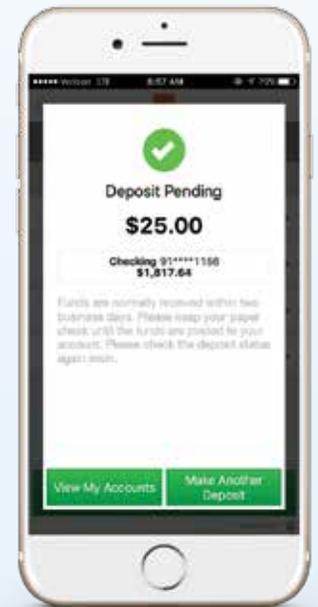

Take a photo of front of check, against clear background, without any objects. Ensure entire check is visible, in focus and well lit. If clear, accept it. Repeat this process for the back of the check. Once both images have been captured, continue to review your deposit and confirm it.

You can check the status of your deposit at any time. Statuses include pending, failed and those that have been accepted and posted.

Tip: Write a note on the original document that says "Mobile Deposit" and keep for a specific period of time for your records, before safely destroying the check.
